	Rate.
On the whole of the total agricultural income	Two annas and six pies in the rupee.

**STATEMENT OF OBJECTS AND REASONS.**

Government have decided to impose a tax on agricultural income both because additional revenue is urgently needed to meet the expanding needs of the Province, and because they consider that it is equitable to impose such a tax.

2. The purpose of the Bill is to levy a tax on agricultural income arising from lands situated in Bengal. The rates are slightly less steeply graded than those existing under the Indian Income-tax Act, 1922, but the exemption limit is the same as under that Act, and there is no super-tax.

To enable land being used for field firing and artillery practice in such manner as to secure the public against danger and to enable such practice being carried out without interference and with the minimum inconvenience to inhabitants of the area affected, the Collector shall take the action prescribed in this behalf by rules made under section 13 of the said Act.

4. Compensation shall be payable for any damage to persons or property or interference with rights or privileges arising from such

field firing and artillery practice including expenses reasonably incurred in protecting person, property, rights and privileges. Such compensation shall include compensation for exclusion or removal from any place declared to be a danger zone of persons or domestic animals and also compensation for any loss of employment or deterioration of crops resulting from any such exclusion or removal.

Where any such notice has been given the Collector of Midnapore shall constitute a commission consisting of himself as Chairman, a person nominated by the Officer Commanding the forces engaged in such practice and two persons nominated by the district board of Midnapore and the commission shall decide all appeals of which notice has been given. The decision of the commission shall be final and no suit shall lie in any civil court in respect of any matter

decided by the commission. Every appeal against the decision of the Revenue Officer shall be preferred in writing and shall accompany the notice to be given to the Revenue Officer of the intention to appeal. 3. Application for a licence or licences shall be made in Form A; it shall be signed by the dealer or by his manager on his behalf and shall be sent to the appropriate Commercial Tax Officer.

4. In his application every dealer—

- (a) shall enumerate each place where he carries on business and shall declare the name of the person who manages each such place;
- (b) shall specify what class of business he carries on at each such place, whether purely wholesale, purely retail or a combination of both; and
- (c) shall declare whether he ordinarily sells motor spirit for aviation purposes, and if so, from which place of business.

6. The licence shall show—

- (i) the name of the dealer;
- (ii) the place of business for which it is issued together with the name of the local manager of such place, if any; and
- (iii) the class of business which is transacted at such place.

7. When any dealer changes the class of his business or the local manager at any place of business he shall at once inform the appropriate Commercial Tax Officer and shall send his licence to him for necessary correction.

8. No class of business, other than that specified in the licence, shall be carried on at any licensed premises.

9. If the dealer is accustomed to sell motor spirit for purposes of aviation at any of his places of business—

- (a) to any civil or military authority, or
- (b) to any Flying Club or members thereof, or
- (c) to any other person,

the licence for that place of business shall be endorsed accordingly.

10. If any application for a licence is refused the Commercial Tax Officer shall record in writing the reasons for such refusal.

11. No fee shall be payable for the issue of any licence under rule 5 or for amending any licence under rule 7 or 30.

12. When a licence is lost or destroyed a duplicate may be obtained by the licensee on payment of a fee of Rs. 2.

13. The licence shall be kept on the premises to which it relates and shall be produced at the request of any officer empowered under section 11.

14. (1) Every retail dealer shall keep correct accounts in Form C of the daily retail issues of motor spirit from his stock. The accounts of each day shall be made up and totalled before the close of the following day. If the dealer keeps a pump for delivering motor spirit, the reading of the pump issue-meter at the end of each day shall also be entered in the accounts for that day. For the purpose of this rule "day" means a period of 24 hours beginning and ending at midnight.

(2) A retail dealer who is also a wholesale dealer and who makes wholesale issues in bulk and retail issues from the same tank or other container shall keep accounts in Form C in so far as his retail business is concerned, but it shall not be necessary for him to make entries in any column other than columns 5 and 6.

(3) Accounts in Form C shall be preserved by the dealer for a period of two years.

15. Every retail dealer who is not also a wholesale dealer shall send to the appropriate Commercial Tax Officer by the 25th day of every month a return in Form D of the retail issues of the previous month from each of his supply stations.

16. Every retail dealer shall pay the tax direct into the appropriate Government Treasury; no payment of any tax or penalty shall be accepted at the office of the Commissioner or any Assistant Commissioner or any Commercial Tax Officer.

17. (1) Challans for the purpose of making payment shall be obtainable at the Calcutta branch of the Reserve Bank of India or at any Government Treasury or at the office of any Commercial Tax Officer.

(2) Challans shall be filled up in triplicate; one copy shall be retained by the Treasury or the Bank, and the other two copies shall be returned to the dealer duly signed and receipted as proof of payment.

18. (1) Every wholesale dealer shall send to the appropriate Commercial Tax Officer by the last day respectively of July, October, January and April a return in Form E showing for each of his depots the issues of motor spirit to retail dealers during the previous quarter.

(2) A wholesale dealer, who is also a retail dealer, shall send to the appropriate Commercial Tax Officer by the last day of every month a return in Form D-1 of the retail issues of the previous month from each of his depots or supply stations.

(3) A wholesale dealer who offers to pay the tax in advance under section 3(2) shall furnish such returns as may be agreed upon between him and the Commissioner.

19. Every retail dealer shall attach one copy of the receipted challan to the return in Form D or Form D-1, as the case may be, when he sends it to the Commercial Tax Officer.

20. An allowance for loss of motor spirit by evaporation from the stocks of a retail dealer who is not also a wholesale dealer may be made up to a limit of 1 per cent. of the total amount of spirit received in any month if the supply has been made from a tank-cart or lorry, and up to a limit of 2 per cent. of the amount received if the supply has been made from casks or cans.

21. If the Commercial Tax Officer is satisfied that the leakage or loss from other cause has actually exceeded the limits prescribed in rule 20 he may for reasons to be recorded in writing make a larger allowance equal to the actual amount of the leakage or loss; but he shall not make such larger allowance for more than three months in any year without the sanction of the Assistant Commissioner.

22. If any dealer whose licence is not endorsed under rule 9 claims exemption from any amount of tax in respect of a sale of motor spirit for purposes of aviation he shall attach to the relevant return in Form D a certificate from the pilot concerned, stating the registration number of the aircraft supplied with motor spirit, the quantity supplied and the place and date of such supply.

23. When it appears to any Commercial Tax Officer to be necessary to take any action under section 7 in respect of any dealer he shall serve a notice in Form F upon him specifying—

- (a) the amount of tax or additional tax, as the case may be, which such dealer is required to pay;
- (b) the period in respect of which such tax is payable; and
- (c) the grounds upon which the demand is made;

and he shall fix a date not less than ten days after the date of the service of the notice for considering any objection which the dealer may wish to prefer.

24. A dealer who has been served with a notice under rule 23 may prefer any objection personally or through a duly authorised agent or he may send it in writing.

25. After considering any objection which may be made by the dealer, or after the expiry of the date fixed under rule 23, the Commercial Tax Officer shall determine what amount of tax is payable by the dealer.

26. If the Commercial Tax Officer determines that any tax is payable he shall serve a notice of demand in Form G upon the dealer requiring him to pay into the appropriate Government Treasury by the date specified in the notice the amount determined to be payable, and warning him that if the amount is not paid he shall be liable to pay in addition an equal amount by way of penalty.

27. (1) If the dealer does not pay by the date specified the amount determined under rule 26 together with the amount of penalty imposed, if any, the Commercial Tax Officer shall apply to the Collector of the area in which is located the dealer's place of business or chief place of business, as the case may be, for recovery of the whole amount of tax and penalty, if any, remaining unpaid as an arrear of land-revenue.

(2) After taking the necessary action the Collector shall report to the Commercial Tax Officer what amount has been recovered and the date on which recovery has been made.

(3) On receipt of the Collector's report the Commercial Tax Officer shall make necessary entries in the appropriate columns of Register H.

28. Every Commercial Tax Officer shall maintain a register in Form H in which he shall enter the details of each case instituted under rule 23.

29. Any information which is required to be given in accordance with section 10 shall be given to the appropriate Commercial Tax Officer.

30. When any dealer or the representative of any deceased dealer makes any report in accordance with the provisions of section 10(2) he shall also send his licence to the Commercial Tax Officer for such amendment or other action as may be necessary.

31. The appropriate Commercial Tax Officer shall be the authority for giving any directions which may be required in accordance with the provisions of section 10(3)(c).

*Inspection.*

32. (1) The power to—

(a) require production of a dealer's accounts, or

(b) inspect such accounts, or

(c) enter into a dealer's premises,

may be exercised by the Commissioner, by any Assistant Commissioner or any Commercial Tax Officer, in respect of each place of business within his own jurisdiction.

(2) Accounts shall be inspected at the dealer's premises and within his ordinary hours of business.

33. Before any Commercial Tax Officer takes action under section 7 or section 11(2) in respect of a wholesale dealer he shall consult the Assistant Commissioner.

34. The Commissioner shall be the authority to determine any dispute which may arise under section 12 whether any dealer is liable to pay any tax or penalty.

35. The Commissioner shall be the authority under section 17(1) to sanction the institution of any criminal proceedings.

36. The Commissioner may compound any offence punishable under the Act or any rule and may accept the money payable by the dealer by way of composition for such offence.

37. (1) When the Commissioner accepts under rule 36 any sum from any dealer by way of composition of any offence he shall issue an order in Form K directing the officer in charge of the appropriate Government Treasury to receive on his behalf the sum specified in the order, and he shall make one copy of the order over to the dealer for presentation at the Treasury at the time of payment and shall send another copy to the Treasury Officer, and a third copy to the appropriate Commercial Tax Officer.

(2) The Commissioner shall also fix a date on which the dealer shall produce before such authority as he may specify a receipted challan in proof of payment.

*Refund.*

38. (1) Application for refund of any tax paid by a dealer in excess of the amount due from him under the Act shall be made to the appropriate Commercial Tax Officer. It shall state how the claim for refund arises and shall contain all particulars of the challan by which the payment was made and of the return in Form D which accompanied such challan.

(2) No fee shall be payable upon any application for refund.

(3) The Commercial Tax Officer shall sanction the refund of such amount as he is satisfied is due to be refunded.

39. When an order for refund has been passed under rule 38 the Commercial Tax Officer shall, if the dealer desires payment in cash, issue a Refund Payment Order (Cash) and shall make it over to the dealer for encashment at the appropriate Government Treasury and shall send an advice of the order to the Treasury Officer.

40. If the dealer desires payment by adjustment against any amount subsequently payable by him the Commercial Tax Officer shall issue a Refund Adjustment Order authorising the dealer to deduct the sum to be refunded from the amount payable in respect of the next return to be submitted in Form D.

41. Particulars of application for refund and of the orders passed thereon shall be recorded in Register L.

45. If the appellant fails to comply with the requirements either of clause (iii) or clause (iv) of rule 44 the appeal shall be summarily rejected, and it may be so rejected if he fails to comply with the requirements of either clause (i) or (ii) of that rule.

46. If the Appellate Officer does not reject the appeal summarily he shall fix a date for hearing the appellant or his agent.

47. (1) The Board of Revenue may call for the proceedings containing any order passed by the Commissioner and may pass such orders thereon as it thinks fit.

#### NOTIFICATION.

No. 1439L.C.—29th August, 1941.—The following report of the Select Committee on the Workmen's Compensation (Bengal Amendment) Bill, 1941, sponsored by the Hon'ble Mr. H. S. Suhrawardy, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

*Secy. to the Bengal Legis. Council.*

## Report of the Select Committee on the Workmen's Compensation (Bengal Amendment) Bill, 1941.

(As introduced in the Council by the Hon'ble Mr. H. S. Suhrawardy.)

We, the members of the Select Committee to which the Workmen's Compensation (Bengal Amendment) Bill, 1941, was referred by a motion carried in the Bengal Legislative Council on the 12th August, 1941, have the honour to submit this our final report with the Bill embodying amendments recommended by us. Matters recommended by us to be omitted have been printed in *italics* and enclosed in square brackets, and all new matters recommended to be inserted have been underlined.

The Committee met on the 16th August, 1941, for the first time and concluded their sitting on the 20th August, 1941.

The Bill has not been altered by our recommendation to an extent requiring republication.

The changes made by us are detailed below.

**Preamble.**—We have made a slight drafting change in the preamble.

**Clause 3.**—We have inserted certain words in this clause by way of drafting.

**Clause 4 (proposed section 24A).**—We have redrafted clause 4 of the Bill and have provided that on the application of either of the parties the question shall be referred by the Commissioner to a medical referee in order to see that neither of the parties be put to difficulty and unnecessarily harassed by the other party in not coming to an agreement. We have also provided that in exceptional cases the Commissioner may also, for sufficient reasons, reject such application.

We have transferred the proviso to the proposed section 24B and have added it at the end of the proposed section 24A(1) in order to make it more appropriate.

In sub-section (2) of the proposed section 24A we have made provisions for enabling the medical referee to consult other expert opinions wherever necessary in order to come to a proper diagnosis of the case.

**(Proposed section 24B).**—We have made slight additions to it providing for the publication of the list of medical practitioners in the official gazette so as to make it known to the public. The proviso to this section has been omitted and transferred to the end of the proposed section 24A(1).

**Clause 5.**—We have renumbered the proposed clauses to make them appropriate and have made certain additions to clause (ff1) as renumbered, which are consequential upon the additions made to sub-section (2) of the proposed section 24A.

**Minute of Dissent by Mr. Lalit Chandra Das, M.L.C.**

I sign the report subject to the following note of dissent:—

In my opinion, the provisions of the Amending Bill—the Workmen's Compensation (Bengal Amendment) Bill, 1941, make the medical referee all in all on the plea of expediting the compensation proceedings. This amounts to sacrificing the substance for the shadow of the thing. The Commissioner should be given greater latitude. In order to soften the harshness of some of its provisions which are likely to operate to the detriment of the best interests of the workman, I think that after sub-section (1) of section 24A as inserted by clause 4 of the Bill, the following clause should be inserted, namely:—

“(1a) On a medical referee being appointed under sub-section (1), it will be open to the Commissioner, either of his own motion or on the application of either party, at any time before the commencement of the medical examination of the workman or before submission by the medical referee of the report mentioned in sub-section (2), for reasons to be recorded in writing, to cancel the appointment of such medical referee and to appoint in his discretion a fresh medical referee from amongst the medical practitioners included in the list prepared under section 24B and to refer the question mentioned in sub-section (1) afresh to such medical referee.”

I am further of opinion that in sub-section (4) of section 24A as inserted by clause 4 of the Bill, the word “conclusive” appearing in line 3 before the word “proof” and the word “conclusive” appearing in line 7 before the word “proof” should be omitted. The retention of the word “conclusive” will easily enable the all-powerful capitalist employer to send to the wall the poor workmen under disablement.

In actual working, the proviso to sub-section (4) though necessary will be found to be illusory—to be not of much help to the workman. It may be of some use if the suggested sub-section (1a) is adopted. The suggested amendment in (1a) and the proviso to sub-section (4) of section 24A are complementary to each other.

I am of opinion that in accordance with section 24B of the Bill as inserted by clause 4, the Provincial Government should prepare the list of qualified medical practitioners for appointment as medical referees after a general notice calling upon the employers and the employees to submit names of qualified medical practitioners through their respective associations within a stated period and also calling for applications from duly qualified doctors at the same time. That section should be accordingly amended and should not be left to the rule-making power of the Government.

[NOTE.—All matters omitted by the Select Committee have been printed in *italics* and enclosed in square brackets, and all new matters inserted have been underlined.]

Provided further that if the parties themselves jointly select any medical practitioner included in the said list for appointment as the medical referee, the Commissioner shall, on payment of the prescribed fees and expenses in the prescribed manner, appoint that medical practitioner :

Provided further that a medical practitioner whose services have been used for the medical treatment of an injury by accident to a workman, or of an occupational disease specified in Schedule III contracted by such workman, by or on behalf of such workman or his employer or by or on behalf of any insurers interested in any proceedings under this Act arising out of such injury or disease, shall not act as a medical referee in any proceedings under this Act in respect of such injury or disease.

(3) If a workman refuses to submit himself for medical examination by or under the personal direction of the medical referee to whom a reference has been made under this section, or if a workman in any way obstructs the medical examination by or under the personal direction of the medical referee the workman's right to compensation under this Act and his right to continue any proceedings under this Act shall be suspended until such examination has taken place.

(4) In any proceedings under this Act in which evidence is recorded, the report of the medical referee shall as between the parties to the proceedings be conclusive proof of the facts related therein within the meaning of section 4 of the Indian Evidence Act, 1872 :

I of 1872.

Provided that such report shall not so be regarded as conclusive proof of the facts related therein if in the particular proceedings the Commissioner, for reasons to be recorded by him in writing, deems it expedient in the interests of justice to allow the parties to adduce further evidence on such facts.

Amendment of  
section 32.

5. After clause (f) of sub-section (2) of section 32 of the said Act the following clauses shall be inserted, namely :—

"[(ff1)] (ff) for prescribing the procedure relating to the reference of medical questions to medical referees under sub-section (1) of section 24A ;

[(ff2)] (ff1) for regulating the procedure relating to the medical examination of a workman by or under the personal direction of a medical referee and the submission of the report of such medical referee, under sub-section (2) of section 24A ;

[(ff3)] (ff2) for prescribing and determining the fees and expenses payable in connection with references of medical questions to medical referees under section 24A ;".

**STATEMENT OF OBJECTS AND REASONS.**

The object of this Bill is to amend the Bengal Workmen's Compensation Act, 1923 (VIII of 1923) in its application to Bengal to provide for the appointment of official medical referees to whom any medical questions in dispute between employers and workmen may be referred by the Commissioner for Workmen's Compensation for a report and whose report shall be binding on both parties.

2. This measure is intended to do away with the usual practice of calling in private medical practitioners by both employers and workmen to give verbal evidence on the points under dispute and the necessity of engaging medical assessors by the Commissioner for Workmen's Compensation.

3. Not only it is expected that this measure will considerably decrease the expenditure on both sides but also shorten considerably workmen's compensation proceedings.

No. 1445L.C.—29th August, 1941.—The following report of the Select Committee on the Bengal Maternity Benefit (Tea Estates) Bill, 1941 sponsored by the Hon'ble Mr. H. S. Suhrawardy, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

S. K. D. GUPTA,

*Secy. to the Bengal Legis. Council.*

### Report of the Select Committee on the Bengal Maternity Benefit (Tea Estates) Bill, 1941.

(As introduced in the Council by the Hon'ble Mr. H. S. Suhrawardy.)

We, the members of the Select Committee to which the Bengal Maternity Benefit (Tea Estates) Bill, 1941, was referred by a motion carried in the Bengal Legislative Council on 12th August, 1941, have the honour to submit this our final report with the Bill embodying amendments recommended by us. Matters recommended by us to be omitted have been printed in *italics* and enclosed in square brackets, and all new matters recommended to be inserted have been underlined.

The Committee met on the 20th August, 1941, for the first time and concluded their sitting on 26th August, 1941.

The Bill has not been altered by our recommendation to an extent requiring republication.

The changes made by us are detailed below.

**New clause 2(bb).**—We have inserted this definition consequent upon the changes made in certain clauses of this Bill.

**Clause 2(d).**—We do not consider it advisable that benefits in kind, in lieu of money, should be included in maternity benefit provided for in clause 5 of the Bill and have accordingly omitted the portions making such provision in this clause.

**Clause 2(e).**—We have omitted this sub-clause as being unnecessary as provision has been made in proper places.

**New clause 2(ee).**—We have inserted this sub-clause in order to include, in the category of nurses, the midwives and trained *dhais* as well for rendering maternity services to the women workers.

**Clause 4.**—We have made slight drafting changes in it as well as in the first proviso to this clause.

We have also made certain additions in the second proviso to this clause in order to make it incumbent on the women workers entitled to maternity benefit under this Act to permit themselves to be medically examined for the determination of the expected day of her delivery and also to attend any clinic or hospital and to permit herself to be treated by medical practitioner both before and after delivery, as we consider post-natal treatment to be equally necessary as the ante-natal treatment for the mother.

We have also added a further proviso to ensure that a woman is not deprived of her maternity benefit if owing to miscalculation she has failed to comply with certain provisions of this Act.

**Clause 5.**—We have omitted sub-clause (b) and the proviso at the end of this clause as we do not think that there should be any maternity benefit in kind.

**Clause 6.**—*Sub-clause (1).*—We have inserted this sub-clause in order to enable the women workers intending to claim maternity benefit to have the expected day of her delivery determined with the help of the medical practitioner by allowing herself to be medically examined for such purpose.

*New sub-clause (1a).*—We have redrafted this sub-clause and have provided for the enforcement of post-natal as well as ante-natal treatment of the women workers entitled to the maternity benefit.

*Sub-clause (2).*—We have omitted the words "Inspector of Factories" appearing in this sub-clause and have left the matter to the medical authority as may be prescribed for this purpose by the rules made under this Act as we consider this advisable. We have also made certain other consequential drafting changes.

**Clause 7.**—We have made certain drafting changes in this clause as being consequential upon the change made in the second proviso to clause 4.

which provides for the inclusion of the day of delivery within the four weeks immediately preceding that day; and also upon the changes made in clause 8 by way of omitting paragraph (b) thereof.

**Clause 8.**—*Sub-clause (1).*—In paragraph (a) of this sub-clause we have made it obligatory on a woman worker entitled to maternity benefit to give notice and have made certain drafting changes in it accordingly. We think that notice by a woman should be given in any manner but the nomination should be given in the prescribed form and the clause has been altered accordingly.

We have omitted paragraph (b) of this sub-clause consequent upon the changes made in paragraph (a).

*Sub-clause (2).*—We have made certain changes in drafting as being consequential upon the changes made in sub-clause (1).

*Sub-clause (3).*—We have redrafted it by making provision for weekly payments at the rate of Rs. 1-8 per week as we consider that any amount greater than that paid at a time might not be spent for the purpose for which it is paid.

We have omitted the first proviso to this sub-clause as being consequential upon the changes made in clause 5.

We have also omitted the second proviso to this sub-clause as being unnecessary.

*Sub-clause (4).*—We have omitted this sub-clause as we do not consider it necessary in view of the omission of clause 8(1)(b).

*New sub-clause (4).*—We have added this new sub-clause to make it clear that where a woman has disentitled herself to the payment of maternity benefit under the Act the employer shall discontinue to pay maternity benefit.

*New sub-clause (5).*—In this sub-clause we have provided facilities to women for appeal.

**Clause 9.**—We consider it more practicable of enforcement if instead of legal representative the words "next of kin as determined by the employer" are used.

**Clause 10.**—We have made certain changes which are purely of drafting nature.

**Clause 11.**—We have amalgamated clauses 11 and 13 as being more appropriate.

**Clause 13.**—We have omitted this clause as it has been amalgamated with clause 11.

**Clauses 14, 15 and 17.**—We have made certain changes which are drafting and consequential in nature.

**STATEMENT OF OBJECTS AND REASONS.**

The Royal Commission on Labour in India made two separate recommendations : the provision of maternity benefits, one for women employed in perennial factories the other for women employed in plantations. The recommendation regarding perennial factories has been implemented by the passing of the Bengal Maternity Benefit Act, 1939, the object of the present Bill is to implement the recommendation regarding plantations. On enquiry it transpired that the system of paying maternity benefits in some form or other was in vogue in the majority of the plantations, but it is considered that some sort of legislative compulsion is necessary to regularise the system and to extend it to those plantations where it does not exist at present. This Bill is designed to secure this object. The matter was discussed in a Conference with the representatives of the majority of the tea plantations and the provisions contained in the Bill are based mainly on the conclusions reached in that Conference.

**Department of Agriculture, Bengal.***Final Review of the Jute Crop of Bengal for the year 1940.*

**Season.**—As noticed in the Preliminary and Final Forecasts for the jute crop of Bengal, 1940, the season opened favourably for the most part. Subsequently however the weather conditions changed and there was drought or scanty or insufficient rainfall over considerable parts of North and East Bengal, which considerably affected the growth and development of the mid and highland crops. On the other hand, the Olitorius tracts of West Bengal did fairly well with generally favourable weather from the second half of July onwards. There was a general shortage of steeping water at harvest time for most of the Province. The result has been a definite falling away in the quality of the fibre from the 1940 crop.

**Area of the crop.**—The area of the crop as recorded under the Bengal Jute Regulation Act is 4,938,850 acres.

**Outturn.**—As regards outturn, the Collectors have reported from most of the districts of the Province that some areas were actually sown with jute merely to have the land recorded, such areas being later ploughed up. In other areas they have reported that a considerable acreage of the crop did not reach maturity for various reasons, and in other cases where it did, the cultivators were unable to ret the crop owing to insufficiency of retting water. This very considerably affected the outturn of jute in the districts, with the result that the percentage outturns have on the whole been poor. These percentage figures are calculated on the basis of Divisional normals which remain as follows:—

	Bales per acre.
Dacca and Chittagong Divisions	... 3·7
Rajshahi Division	... 3·5
Presidency and Burdwan Divisions	... 3·2

The total outturn of the crop has been estimated at 11,465,200 bales.

**Stocks.**—As authoritative figures for stocks held throughout the Province on the 30th of June 1940 are not available, it has not been possible to discuss the disposal of the 1940 crop. The figures for stocks held on the 30th of June 1941, which were considerable, are however being compiled under the Act and similar figures for stocks held on 30th June 1942 will be compiled in due course. These will be used in considering the disposal of the 1941 crop.

**Resolution reviewing the reports of the Commissioners of Divisions on the working of union boards in Bengal during the year 1939-40.**

**GOVERNMENT OF BENGAL.**

**Department of Public Health and Local Self-Government.**

**Local Boards.**

**RESOLUTION—No. 1174L.S.-G.**

*Calcutta, the 26th August 1941.*

**READ—**

The reports of the Commissioners of Divisions on the working of union boards in Bengal during the year 1939-40.

During the year under review, the total number of union boards in the province increased from 5,072 to 5,126. Of the fifty-four new union boards, 39 were established in the district of Mymensingh, 12 in the district of Khulna, 2 in Bakarganj and 1 in Midnapore. Eight unions of the Daudkandi Circle of the Tippera district, commonly known as Gazaria block, were transferred to the district of Dacca.

The total area covered by union boards was the largest in the Rajshahi Division (15,346 sq. miles), followed by Dacca (14,163 sq. miles), Presidency (12,105 sq. miles) Burdwan (10,264 sq. miles), and Chittagong (6,561 sq. miles). The total population served by union boards was the largest in the Dacca Division (12,824,219), followed by Rajshahi (9,235,466), Presidency (7,329,308), Chittagong (6,437,706) and Burdwan (6,238,444).

**2. Franchise.**—As in previous years, the number of voters of union boards rose from 4,892,000 to 5,436,808 owing partly to the widening of the franchise under the amended Bengal Village Self-Government Act and partly also to the establishment of the new union boards already mentioned. The total number of members of union boards also increased from 45,576 to 45,992, of which 19,975 were Hindus, 25,581 were Muslims and 436 belonged to other communities.

The elections held during the year passed off fairly smoothly and evoked keen interest among the ratepayers and considerable rivalry among candidates, indicating growing appreciation of the usefulness, popularity and importance of these self-governing institutions.

**3. Finance.**—During the year under review, the total income of the union boards excluding the opening balances increased from Rs. 101·37 lakhs to Rs. 104·98 lakhs. The receipts from the union rate increased from Rs. 75·54 lakhs to Rs. 80·56 lakhs, out of which Rs. 18·35 lakhs represented the rate imposed under section 37(b) of the Bengal Village Self-Government Act and Rs. 62·21 lakhs represented the chaukidari rate under section 37(a) of the said Act as against Rs. 15·33 lakhs and Rs. 60·21 lakhs, respectively, in the preceding year. The year under review was marked by an increase in Government contributions from Rs. 2·08 lakhs to Rs. 2·45 lakhs but this was counter-balanced by a decrease in contributions from district boards under sections 33 and 45 of the Village Self-Government Act which fell from Rs. 1·81 lakhs to Rs. 1·75 lakhs and from Rs. 3·36 lakhs to Rs. 3·03 lakhs respectively. The contributions from other sources also fell from Rs. 3·17 lakhs to Rs. 2·70 lakhs.

The total expenditure of the union boards increased from Rs. 101·74 lakhs to Rs. 103·46 lakhs of which a sum of Rs. 51·54 lakhs or about 49·8 per cent. of the total expenditure was spent on the salaries and equipment of the chaukidars and dafadars. Of the total expenditure incurred by the Boards during the year under review, a sum of Rs. 8·49 lakhs was spent on the construction and maintenance of village roads, of which Rs. 2·91 lakhs represented original works; a sum of Rs. 8·18 lakhs on water-supply of which Rs. 6·89 lakhs represented original works; a sum of Rs. 2·72 lakhs on drainage, conservancy and other sanitary measures; Rs. 3·01 lakhs on primary education and Rs. 3·60 lakhs on medical relief.

The audit of the union boards was carried out as usual by the Circle Officers. No serious instances of defalcation came to light in any Board except one in the Dhonkail union board in the district of Dinajpur where the President was criminally prosecuted for defalcation and misappropriation of public money. The President of the

Rampur union board was prosecuted for an offence involving moral turpitude. The Presidents of three union boards in the Dinajpur district were removed for gross neglect of duty.

#### 4. Activities of the Union Boards—

(i) *Communications*.—The total expenditure on the construction and maintenance of village roads rose from Rs. 7.94 lakhs to Rs. 8.49 lakhs of which Rs. 2.91 lakhs represented expenditure on original works. In the Dinajpur district, a number of new roads were constructed by several union boards with the help of voluntary labour. In Jalpaiguri, fifty miles of new roads were constructed in addition to repairs of existing roads. The Tarash, Shahazadpur and certain other union boards in Pabna constructed several miles of new roads besides undertaking the repair of their existing roads. A satisfactory feature of this year's working of the union boards, so far as communications were concerned, was that the union boards generally directed their attention more to the maintenance of existing roads in good repair than to the construction of new ones.

(ii) *Water-supply*.—The total amount spent by union boards on water-supply during the year under review was Rs. 8.18 lakhs as against Rs. 9.61 lakhs in the preceding year. The major portion of this amount (viz., Rs. 6.89 lakhs) represented expenditure on original works. The union boards of the Burdwan district spent Rs. 50,544 on water-supply against Rs. 57,706 in the preceding year. The union boards of all the districts in the Presidency Division spent a larger sum on water-supply than in the preceding year.

In the Dacca Division, the union boards of Mymensingh maintained their high standard of expenditure under this head and spent Rs. 1,37,400 on original works and Rs. 7,888 on repairs.

Other districts with comparatively large expenditure by union boards on rural water-supply were Dacca (Rs. 86,000), Faridpur (Rs. 63,000), Dinajpur (Rs. 57,000), Rangpur (Rs. 45,000), Tippera (Rs. 39,000) and Pabna (Rs. 38,000). Government, however, regret to note that, except in a few districts, the annual expenditure incurred by the union boards on water-supply has been steadily on the decline. A comprehensive scheme for solving the

problem of rural water-supply throughout the province within a given period, in co-operation with the local bodies, is at present under the serious consideration of Government. Until this scheme is put into effect, it is extremely desirable that the union boards of the province should devote as large a portion of their funds as may be reasonably possible on the provision of sources of water-supply in their respective areas.

(iii) *Public Health*.—The total expenditure by the union boards on sanitation, including drainage and conservancy, was Rs. 2.72 lakhs against Rs. 2.71 lakhs in the preceding year. In Rajshahi, many union boards maintained their high standard of sanitary and conservancy arrangements, the most noticeable among them being those of Naogaon and Siliguri which did practically the work of municipalities in the matter of conservancy. As in the previous year, the Charghat union board maintained conservancy and drainage arrangements for persons resident within the union and realised latrine tax from those who were served. The Nischintapur, Balurghat and Parbatipur union boards in Dinajpur formed sanitary boards to look after their conservancy and sanitary arrangements.

Voluntary labour played an increasingly important part in jungle-cutting, clearing of insanitary tanks and *dobas*, eradicating water hyacinth and improving the sanitary condition of rural areas.

The union boards of several districts spent comparatively large sums on drainage, the most notable among them being Khulna (Rs. 12,476), Faridpur (Rs. 10,872), and Nadia (Rs. 10,269).

(iv) *Medical Relief*.—The total expenditure by the union boards on medical relief in rural areas amounted to Rs. 3.60 lakhs against Rs. 3.13 lakhs in the preceding year. Backed by grants from Government and the district board, the union boards of Nadia took extensive measures for combating kala-azar. Many dispensaries did useful work in providing necessary medical relief to the rural public. Three union boards started Colonel Nag Type dispensaries which received a grant of Rs. 100 each from the district board.

In the Rajshahi Division, the union boards of all the districts, except Rajshahi, spent more on medical relief

than in the preceding year. In Rajshahi, dispensaries were started by many union boards and the union board dispensary at Arani in the Sadar and 4 in the Naogaon subdivision continued to be run independently without any aid from the district board. In Jalpaiguri, 5 dispensary buildings were constructed entirely by voluntary labour and local contributions. In the Gaibandha subdivision, 2 dispensaries were run by two union boards with financial help from some neighbouring union boards. Fourteen union boards in Bogra maintained charitable dispensaries with or without subsidies from the district board or from Government. Thirteen dispensaries in Pabna were maintained by the union boards and one union board maintained a homeopathic charitable dispensary.

(v) *Primary Education*.—The total outlay by the union boards on primary education during the year rose from Rs. 2·93 lakhs to Rs. 3·01 lakhs. In the Rajshahi Division, the union boards of all the districts except Jalpaiguri, spent more on primary education than in the previous year. The Bairchuna union board in the Thakurgaon subdivision continued to maintain free primary schools.

In Rajshahi, the drive against adult illiteracy was carried on with commendable zeal by the Palli Mangal Samities and the night schools started by them did good work with the help of grants-in-aid from many union boards.

In Pabna, special attention was directed to adult education and 516 centres were maintained in the Serajganj subdivision which imparted education to Rs. 14,099 people. In the Sadar subdivision of the district, 104 night schools were started for adults.

In the Malda and the Jalpaiguri districts, 150 and 21 schools, respectively, were started for adult education. The night schools in Malda were mostly run on the *musti* rice system.

Reading rooms and libraries were maintained by seven union boards in the Sadar subdivision of the Dinajpur district and one public library was started at Lalpur in the Natore subdivision with financial aid from the local union board.

The districts in which comparatively large expenditure was incurred by the union boards under this head were Dinajpur (Rs. 26,810), Pabna (Rs. 23,647), Burdwan (Rs. 21,389), Jessore (Rs. 20,907), Khulna

(Rs. 20,316), Rangpur (Rs. 19,374) and Birbhum (Rs. 17,920).

(vi) *Some features of special interest*.—A satisfactory feature of the year's working was that the union boards of many districts ended the year with an increased closing balance and as a result they had no difficulty in promptly paying their *chaukidars* and *dafadars* during the opening months of the following year. It is gratifying to note that, in order to ensure the regular and prompt payment of salaries to the *chaukidars* and the *dafadars* during the first quarter of the year, all the union boards of Pabna built up reserve funds.

Another satisfactory feature is that union boards of many districts displayed commendable energy in the matter of collection of the union rates and thereby improved their financial condition as will be evident from the increase in total income of union boards from this source. In the Rajshahi Division, the union boards of all districts realised more than 83 per cent. of their demands and in the Chittagong Division, some union boards attained even cent. per cent. collection.

The vigorous campaign against adult illiteracy in Rajshahi and Pabna is a feature of great interest during the year under review. This may with profit be emulated in other districts of the province.

A number of union boards in the Rajshahi Division did good work in connection with the eradication of water-hyacinth and also played an important part in carrying on jute restriction propaganda and in helping the Jute Restriction Department.

5. **Union benches and union courts**.—*Union benches*.—Union benches have been established under the Bengal Village Self-Government Act of 1919 in all the districts of Bengal except Darjeeling. The total number of benches established and in existence was 2,166 against 1,515 in the previous year. The number of offences reported to these benches was 92,752 showing a decrease of 922 over that of 1938. The working of the union benches continued to be satisfactory on the whole. They afforded appreciable relief to the ordinary courts by disposing of a fair number of petty cases during the year. These village tribunals are growing in popularity as they administer speedy justice locally at a very low cost and without any elaborate legal procedure.

**Union courts.**—Union courts have also been established under the Bengal Village Self-Government Act, 1919, in all the districts in Bengal except Darjeeling. The total number of courts established was 1,695 against 1,428 in the previous year. The number of suits instituted in these courts was 64,394 showing a decrease of 8,305 over that of the preceding year. Of the total number of applications for disposal during the year under report under the proviso to section 88 of the Bengal Village Self-Government Act, 69 cases were either dismissed or not prosecuted. In 102 cases the lower courts' orders were confirmed, in 27 modified, and in 57 reversed and 21 cases were remanded for retrial. The union courts are reported, generally, to be popular and useful to poor litigants as speedy redress is available locally at a very low cost and to be affording some relief to the Munsifs in the majority of the districts. Some District Judges are of opinion that the utility of these courts would increase if a better personnel could be ensured and that further improvements and stricter supervision over the courts are required in order to free them from the suspicion of corruption and malpractices as far as possible. It is reported from some districts that the introduction of the Debt Settlement Boards has affected the work of these courts to some extent.

**6. Relations between the district boards and the union boards.**—It is regrettable to note that the year under review witnessed a further decrease in the total grants made by the district boards under section 45 of the Bengal Village Self-Government Act which fell from Rs. 3.36 lakhs to Rs. 3.03 lakhs, representing only 16.5 per cent. of the amount raised by the union boards under section 37(b) of the Bengal Village Self-Government Act and 32.3 per cent. of the amount of the augmentation grants received by the district boards during the year from the Provincial revenues, as compared with 22 per cent. and 36 per cent., respectively, in the preceding year. The district boards in the Chittagong and Rajshahi Divisions maintained their standard of contributions to the union boards under section 45 of the Village Self-Government Act, while those of the other Divisions curtailed their grants, the most noticeable decrease being in the Burdwan and the Presidency Divisions where the grants paid by the district boards amounted to Rs. 52,676 and Rs. 67,084, respectively, against Rs. 66,261 and Rs. 84,480,

respectively, in the preceding year. This reduction of the amount of financial assistance from the district boards is reported to have been due, in some measure, to the many commitments of the boards and the various demands on their resources. But Government cannot too strongly impress upon the district boards the necessity of rendering adequate financial aid to the union boards in order to enable them to undertake works of public utility for the benefit of the rural areas.

The amount contributed by the district boards under section 33 of the Act for the management of works and institutions transferred by them to the union boards also decreased from Rs. 1.81 lakhs to Rs. 1.75 lakhs, but the total income of the union boards from pounds, which represents a transfer of district board revenue to the union boards, increased from Rs. 2.14 lakhs to Rs. 2.35 lakhs during the year under review.

Except in the matter of financial assistance to union boards, the general relation between the district boards and the union boards continued to be otherwise quite satisfactory.

**General remarks.**—During the year under review, the union boards showed a fairly satisfactory progress in all directions within the limits of the resources at their disposal. There was a sign of general improvement in the collection of union rates and the union boards of several districts displayed commendable energy in this direction.

Although in several cases the progress of the union boards was retarded by unhealthy party rivalry, there were indications of a gradual development in the minds of the Presidents and Members of a sense of their rights and duties and also of a wider appreciation by the general public of the beneficial measures adopted by the boards. Union boards were of great help to the Police in the matter of prevention and detection of crimes in local areas. Valuable assistance was also rendered by union boards in the organisation of Village Defence Parties. Cordial relations subsisted between the union boards and the Circle Officers, the Police and other local officers of Government.

- (d) the determination of a fair and equitable rent referred to in sub-section (3) of section 21.

**STATEMENT OF OBJECTS AND REASONS.**

Government have considered the Report of the Non-Agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

- (1) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;
- (2) held under a written lease for a specified period of not less than twelve years ;
- (3) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;
- (4) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (1). Lessees under (2) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (3) should have a permanent heritable right. All holdings coming under (2) and (3) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (1), (2) and (3) can be evicted. In case of tenants under (4) provision has been made for payment of compensation under certain circumstances in case of eviction.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

*Note 6.*—The leave earned by the period of duty intervening between the refusal of leave pending retirement and the date of compulsory retirement is merged in the common pool in the leave account and forms an indistinguishable part of the total leave at credit the whole of which, with the exception only of the net amount of leave refused, lapses under clause (7) of rule 185 on the date of compulsory retirement. The grant of any leave between the date from which the "refusal of leave" took effect and the date of superannuation should therefore be held to be a grant of leave against the amount originally refused. The amount of leave admissible under clause (1) after superannuation in such a case is therefore the amount of leave originally refused *minus* the amount of the "post-refusal" leave enjoyed; and this difference is subject to a maximum of six months. This principle applies equally to leave available under clause (2) including that earned in respect of duty during a period of refused leave.

## COMMERCE DEPARTMENT.

## PRESS COMMUNIQUE.

Simla, the 14th August 1941.

## Coffee Control Scheme.

It is understood that transactions in coffee, including forward sales, are likely to be entered into by owners of coffee estates on the assumption that legislation on the lines of existing Indian Coffee Market Expansion Ordinance will be undertaken, but that such legislation would accord a measure of immunity from control to contracts for the sale of coffee for forward delivery. The terms of any such prospective legislation will be formulated in consultation with the coffee industry and it is not possible to forecast them at present.

The Government of India desire to emphasize that persons who now speculate upon the probable terms of any such legislation do so entirely at their own risk. If and when legislation comes into force, representations for the special treatment of the transactions referred to above are not likely to receive any special consideration.

[*Passed by the Bengal Legislature.*]

[Assent of the Governor was first published in the *Calcutta Gazette*  
of the 11th September 1941.]

## PART VI

**Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.**

### GOVERNMENT OF INDIA.

#### Legislative Assembly Department.

#### NOTIFICATION.

New Delhi, the 4th August, 1941.

No. F. 118-I./41-A.—Under Rule 18 of the Indian Legislative Rules, the Governor General has been pleased to order the publication in the Gazette of India of the following Bill, together with the Statement of Objects and Reasons relating thereto, and the Bill and the Statement of Objects and Reasons are accordingly published for general information:—

#### L. A. BILL No. 23 OF 1941.

##### *A Bill further to amend the Factories Act, 1934.*

WHEREAS it is expedient further to amend the Factories Act, 1934, for the purpose hereinafter appearing; XXV of 1934.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Factories (Amendment) Act, 1941.

Substitution of new section for section 5, Act XXV of 1934.

2. For section 5 of the Factories Act, 1934, the following section shall be substituted, namely:— XXV of 1934.

Power to apply provisions applicable to factories to certain other places.

“5. (1) The Provincial Government may, by notification in the official Gazette, declare that all or any of the provisions of this Act applicable to factories shall apply to any place wherein a manufacturing process is being carried on or is ordinarily carried on

whether with or without the use of power whenever ten or more workers are working therein or have worked therein on any one day of the twelve months immediately preceding.

- (2) A notification under sub-section (1) may be made in respect of any one such place or in respect of any class of such places or generally in respect of all such places.
- (3) Notwithstanding anything contained in clause (j) of section 2, a place, to which all or any of the provisions of this Act applicable to factories are for the time being applicable in pursuance of a declaration under sub-section (1), shall, to the extent to which such provisions are so made applicable but not otherwise, be deemed to be a factory."

#### STATEMENT OF OBJECTS AND REASONS.

Section 5 of the Factories Act, 1934, has been found defective in two respects. In the first place, a notification under sub-section (1) can apply only to such factories as were in existence on the date of the notification and not to factories similar in all respects which may be established subsequently (though of course such later established factories could be notified separately). Secondly, factories once brought under the scope of the Act by virtue of a notification under sub-section (1) may subsequently cease to be under it by the operation of the provisions in sub-section (3), if they employ less than 10 workers continuously for 12 months, and if a factory goes out of the ambit of the Act in this manner, a fresh notification will be necessary to bring it back within the Act when it again employs more than 10 persons. The Bill which is intended to remedy these defects, seeks to give power to Provincial Governments to enable them to notify once for all the application of the provisions of the Act to any specified classes of establishments employing 10 or more persons.

#### RESOLUTION—No. 2202F.

*Calcutta, the 12th September 1941.*

In view of the lighting restrictions now in force in Calcutta and its suburbs the Government of Bengal are anxious that the number of persons who have to be transported after nightfall through the streets of Calcutta should be kept as low as possible. It is essential therefore to arrange that the great bulk of office workers are released at least one hour before sunset. One measure that will contribute materially towards this end is the advancement of the clock. At the instance of the principal Chambers of Commerce in Calcutta the Government of Bengal have already addressed the Government of India and recommended that for the duration of the war Indian Standard Time be advanced by one hour. This proposal is still under the consideration of the Government of

India. In the meantime the Government of Bengal consider it desirable that with effect from the 1st October 1941 until further notice Calcutta Time should be moved forward by thirty-six minutes thereby making it one hour ahead of the present Indian Standard Time and that a uniform time should be observed throughout Bengal.

2. The Government of Bengal are accordingly pleased to direct that with effect from the 1st October 1941 until further notice the time observed in all Government offices in Bengal shall be a time one hour in advance of the present Indian Standard Time. For purposes of reference this time will be known as "Bengal Time". To give effect to this decision clocks will be advanced at midnight on the night of 30th September/1st October.

R. L. WALKER,

No. 2329F.—13th September 1941.—Whereas partly as the result of abnormal circumstances connected with the war and partly as a result of the drain caused by the deputation of experienced officers for relief work in the cyclone affected areas there is an acute shortage of experienced officers in the cadre of the Bengal Civil Service (Executive) and it has become necessary to create six temporary posts in the Bengal Civil Service (Executive) and to fill these posts by re-employment of recently retired Deputy Collectors; and whereas it is not considered necessary to consult the Public Service Commission in the selection of the pensioners to be so re-employed;

Now, therefore, in exercise of the power conferred by sub-section (3) of section 266 of the Government of India Act, 1935, the Governor is pleased to make the following regulation, namely:—

#### Regulation.

"223. Works establishment will include such establishment as is employed upon the execution or the immediate technical supervision, of a specific work or of sub-works of a specific project or upon the subordinate supervision of the departmental labour, stores, and machinery, in connection with such a work or sub-works. When employees borne on the temporary establishment are employed on work of this nature, their pay should, for the time being, be charged direct to the work.

Note 1.—Choukidars employed to guard departmental stores and machinery in connection with a specific work or sub-works of a specific project may be treated as works establishment.

Note 2.—Superintending Engineers may waive the rule, which prescribes that works establishments must be employed upon a specific work, and determine in such cases the proportions in which the cost of such establishment shall be allocated between the works concerned.

In the case of repairs, however, the cost may be debited monthly in accordance with the proportions fixed in advance by the

Superintending Engineer for the year or the total period of engagement, irrespective of the fact that the establishment has not yet been employed on the particular work during the month for which the debit is made, provided that the establishment is employed on the work for some time during the period it is engaged and that no debit is made on account of the wages of establishment for periods of unemployment, except in cases mentioned in Rule 226, Note 1.

- (1) that provision for such establishment has been made in a separate sub-head of the sanctioned estimate, and
- (2) that the pay of any such work-charged post shall not exceed the prescribed rate in cases where such rates have been definitely laid down by higher authority for any particular class of posts.

*N.B.*—Lump sums fixed in lieu of estimates for repairs will be deemed to include such provision.”

*Page 72.—Rule 225.—Substitute the following for rule 225 as amended by correction slip No. 81, dated 9th October 1930:—*

“225. In all cases, the previous sanction of the Divisional Officer or the Superintending Engineer or the Chief Engineer, as the case may be, is necessary. Orders communicating sanction should specify in respect of each appointment (1) the consolidated rate of pay, (2) the period of sanction, and (3) the full name (as given in the estimate) of the work and the nature of the duties on which the man engaged would be employed.”

## FINANCE DEPARTMENT.

## NOTIFICATION.

## COMMUNICATIONS BRANCH.

Simla, the 7th August 1941.

No. D./3400-P.T./41.—The following amendment in the Notification of the Government of India in the Finance Department, No. D./C.-230-F., dated the 4th June 1940, relating to the issue of Post Office Ten-year Defence Savings Certificates, is published for general information.

I. For paragraphs 2 to 7 of the said Notification the following shall be substituted, namely:—

## PURCHASE OF DEFENCE SAVINGS CERTIFICATES.

2. (1) Post Office 10-year Defence Savings Certificates are obtainable at issue prices of Rs. 10, Rs. 50, Rs. 100, Rs. 500 and Rs. 1,000. Their purchase must be made by presenting a form of application which is prescribed for the purpose and which may be obtained at any post office doing savings bank business. The application may be made by a single person or in the joint names of two persons only, and may be tendered either personally or by a messenger. Defence Savings Certificates purchased by joint holders are issued on a special form and are of two classes; (A) payable to both the holders jointly or to any one of them with the consent of the other, and (B) payable to either of the joint holders.

(2) Defence Savings Certificates can be purchased either wholly with sums withdrawn from money already deposited in the investor's Post Office Savings Bank account, or with cash or a cheque on a recognised bank separately tendered for the purpose, or partly with sums withdrawn from savings bank deposit and partly with cash or cheque or both. The full issue price must be paid at the time of purchase.

*Explanation.*—When a savings bank depositor wishes to purchase Defence Savings certificates out of the amount at credit of his account, it will not be necessary for him to draw the amount and pay it. All that he should do is to fill up an application for withdrawal and tender it and his pass-book along with his application for purchase of Defence Savings Certificates. The withdrawal will be entered in the pass book which will be returned to him when the Defence Savings Certificates are made over to him.

(3) When an application is presented at a head or sub-post office, a Defence Savings certificate signed by the head or sub-post-master as the case may be, will be handed to the investor across the counter of the post office. When an application is presented at a branch office a Defence Savings Certificate will be obtained for the investor from the head office or the sub-office to which the branch office is subordinate. If payment is made by

means of a cheque, the certificate will be delivered after the cheque has been cashed by the Post Office. Receipts will be given for all sums paid when a certificate is not issued immediately and investors should be careful to obtain and preserve these. The provisional receipts must be surrendered in all cases in exchange for the certificates issued.

(4) The total face value of Defence Savings certificates which may be held by one person, whether in the capacity of a sole holder or a joint holder or both, is limited to Rs. 5,000. A declaration in the prescribed form must be made, on the occasion of each purchase, by the purchaser or purchasers to the effect that—

(a) the total holding of the purchaser or purchasers will not after that purchase exceed this limit, and

(b) the application, declaration and Post Office Defence Savings Certificate Rules shall be the basis of the contract between the purchaser or purchasers and the Government of India.

*Explanation.*—The face value of any Defence Savings certificates transferred to a Government officer in his *official capacity* to be treated as security or purchased out of money retained by such Government Officer as security or purchased out of the balance at the credit of the Teacher's Provident Fund account standing open in his name shall, for the purpose of calculating the limit under this rule, be deemed to be the holding of the person on whose account the same are held as security or have been purchased as aforesaid.

(5) Holdings in excess of the face value of Rs. 5,000 will not carry any interest and when such an excess is discovered the holder is liable to be called upon to discharge the excess holdings immediately. Any interest or payment received by any holder in contravention of these rules should be refunded on demand, and may, in addition to other remedies for the recovery thereof by the Government, be deducted from any money payable by the Government to the person obtaining such payment or his estate.

*Explanation.*—For the purposes of this sub-rule, the head office and branches of a bank or other concern holding certificates shall be considered to be a single holder.

*Exception.*—The limit of Rs. 5,000 specified in sub-rule (4), and the provisions of sub-rule (5), shall not apply to—

(a) Government Officers who in their official capacities hold certificates transferred to them as security,

(b) such Government Officers and such officers of the Indian States the posts of which have been amalgamated with the Imperial Post, as may be authorised in this behalf by the Governor General in Council by notification in the Official Gazette, to hold cash certificates in a fiduciary capacity, and

- (c) the Reserve Bank of India and the Imperial Bank of India in respect of certificates transferred to it as security or held by it on behalf of claimants in respect of lost, wholly destroyed or defective Bank notes or currency notes of the Government of India.

**NOTE.**—The officers referred to in Exception (b) above, when purchasing certificates in a fiduciary capacity, are expected to satisfy themselves that the total value of the holdings in the name of any one person does not exceed Rs. 5,000.

#### PURCHASE OF DEFENCE SAVINGS CERTIFICATES ON BEHALF OF MINORS.

3. A Defence Savings certificate cannot be purchased by a minor. It may, however, be purchased in the name of a minor either singly or jointly with that of another minor or jointly with that of an adult. The application for purchase on behalf of the minor should be made by an adult relative or guardian. The applicant for the purchase of a Defence Savings certificate on behalf of a minor must give the date of the minor's birth in the application for purchase.

The officer authorised by the Provincial Government or Administration to control the Teachers' Provident Fund may purchase Defence Savings Certificates on behalf of a teacher out of the latter's Provident Fund account standing open under rule 45-A of the Post Office Savings Bank Rules. The certificates will be made out in the name of the teacher on whose behalf they are purchased,

Application for purchase will be made on special form prescribed for the purpose. The following note will be made prominently in red ink on the face of the Defence Savings Certificate purchased after the name of the teacher-holder, thus:—

When certificates are discharged on the signature of the controlling officer, the proceeds will be credited into the Provident Fund Account (in the Post Office Savings Bank) of the teacher concerned unless otherwise directed, in writing, by the controlling officer.

The transfer of these certificates will also be allowed on the signature of the controlling officer, or on his counter-signature both on the certificates and on the applications for transfer.

When holdings in excess of the prescribed limit of Rs. 5,000 are detected in respect of a particular teacher the Officer authorised by the Provincial Government or Administration to control the Teacher's Provident Fund will be liable to be called upon to discharge the excess holdings which will not carry any interest.

**NOTE.**—The term "teacher" includes librarians, clerks and others in non-pensionable service who are eligible for admission to the Teachers' Provident Fund.

#### TRANSFER OF DEFENCE SAVINGS CERTIFICATES FROM THE NAME OF ONE PERSON TO THAT OF ANOTHER.

7. The holder of a Defence Savings certificate may transfer it to another person with the previous permission of the head postmaster of the office in which or in one of the sub-offices attached to which the certificate is for the time being registered. The transferee must furnish a declaration that his total holding of these certificates (including the amount to be transferred) does not exceed the permissible maximum of Rs. 5,000 and that he agrees that this declaration shall be the basis of the contract between him, as the transferee of the certificate, and the Government of India. A new certificate bearing the same date of maturity as the original certificate will be issued to the transferee on the surrender of the original certificate duly endorsed by the transferor on the reverse of the original certificate "Pay to....." under his signature and the date. The application for transfer of certificate must be made in the prescribed form which may be obtained at any post office doing savings bank business.

NOTE 3.—Transfer of a Defence Savings Certificate standing in the name of a minor to that of another person requires the previous sanction of the Postmaster-General.

#### TRANSFER OF DEFENCE SAVINGS CERTIFICATES FROM ONE POST OFFICE TO ANOTHER.

8. The entry of the transfer will be made by the Post Office on the back of the Defence Savings certificate.

NOTE 1.—Applications for the transfer from one post office to another of Defence Savings certificates in joint names (of both classes) should be signed by both the joint holders.

NOTE 2.—In the case of transfer from one post office to another of Defence Savings Certificates purchased in the name of a teacher out of the balance at credit of his Teachers' Provident Fund account, the provisions of Note 2 below rule 7 will apply.

## Notes on leprosy.

## কুষ্ঠ রোগ ।

কুষ্ঠ মানবসমাজে একটি পুরাতন ব্যাধি। বেদে এই রোগের উল্লেখ দেখা যায়।

মালেরিয়া, কালাজ্বর, যক্ষ্মা প্রভৃতির ন্যায় কুষ্ঠও আমাদের দেশে একটি প্রধান ব্যাধি হইয়া দাঁড়াইয়াছে। গ্রামে ও শহরে বহু কুষ্ঠরোগী দেখিতে পাওয়া যায়। দেশের শিল্পক্ষেত্রগুলিতে এই রোগ ক্রমেই বৃদ্ধি পাইতেছে। বিশেষজ্ঞদের হিসাব হইতে জানা যায় যে ভারতবর্ষে অত্যন্ত দশ লক্ষ এবং বাঙ্গালা দেশে কম পক্ষে আড়াই লক্ষ কুষ্ঠরোগী আছে। তবে ইহাদের মধ্যে সকলেই সংক্রামী নহে, মাত্র চার ভাগের একভাগ সংক্রামী।

কুষ্ঠ রোগের প্রসার সহজেই দমন করা যায়। অন্যান্য দেশে সমবেত চেষ্টার ফলে এই রোগের প্রসার বন্ধ হইয়াছে। বাঙ্গালাদেশে আমরাই বা পারিব না কেন?

কুষ্ঠ রোগের কারণ।—ভিন্ন ভিন্ন রোগের ভিন্ন ভিন্ন বীজ আছে। এই সকল রোগের বীজ এত সূক্ষ্ম যে অনুবীক্ষণ যন্ত্রের সাহায্য ব্যতিরেকে চোখে দেখা যায় না। রোগের বীজকে জীবাণু বলে। কুষ্ঠ রোগের জীবাণু আমাদের শরীরে প্রবেশ করিয়া দেহের মধ্যে বৃদ্ধি পাইতে থাকে এবং কালে রোগ প্রকাশ পায়। কুষ্ঠ রোগের জীবাণুকে ইংরেজীতে মাইকোব্যাক্টেরিয়াম্ লেপ্টি বলে।

কুষ্ঠ রোগের প্রচলন অবস্থার কাল (Incubation period)।—কুষ্ঠ রোগের জীবাণু শরীরে প্রবেশ করার পর সাধারণতঃ অনেক দিন পর্যন্ত রোগের কোন লক্ষণ প্রকাশ পায় না; এইরূপ অবস্থাকে প্রচলন অবস্থা বলে। কুষ্ঠ রোগের প্রচলন অবস্থার কাল গড়পড়তা ৩ হইতে ৪ বছর। ১০, ১৫, এমন কি ৩০ বছর পরেও রোগ প্রকাশ পাইতে দেখা যায়।

কুষ্ঠ রোগের প্রকার ভেদ।—কুষ্ঠ রোগীদেরকে দুই শ্রেণীতে ভাগ করা হয়, অসংক্রামী ও সংক্রামী। অসংক্রামী রোগীদের হাত, পা, হাঁটু, উরু ও পিঠে ছোটবড় দাগ হয়, কিন্তু ঐ সকল দাগে স্পর্শবোধ থাকে না, লোম পড়িয়া যায় ও ঘাম বাহির হয় না। কোন কোন অসংক্রামী রোগীর হাতে পায়ে স্পর্শবোধ থাকে না, হাতের আঙ্গুলে ও পায়ের তলায় যা হয় এবং কখনও কখনও হাত পা বিকৃত হয়, এমন কি হাতপায়ের আঙ্গুল খসিয়া পড়ে। এই প্রকার স্পর্শবোধহীন রোগীদের হাত ও পায়ের যা হইতে কিন্তু কুষ্ঠ রোগের জীবাণু বাহির হয় না এবং ইহাদের সংস্পর্শে কুষ্ঠ রোগ জন্মিবার সম্ভাবনা নাই।

আর এক রকমের কুষ্ঠ রোগী আছে; তাহাদের রোগ ইহা হইতে গুরুতর। ইহাদের দাগগুলি কখনও লাল ও একটু উঁচু হয়, মুখ ও কান মোটা হয় এবং গায়ের স্থানে স্থানে অনেক ছোট ছোট গুটি হয়, কিন্তু এই সকল দাগে ও গুটিতে স্পর্শবোধ থাকে। ইহাদের নাকে ও গলায় যা হয়; এই যা বাহির হইতে দেখা যায় না। এই সকল যা হইতে এবং কখনও কখনও এই সকল রোগীর গায়ের চামড়া হইতে কুষ্ঠ জীবাণু ছড়ায়। এই সকল রোগী সংক্রামী।

সংক্রামী কুষ্ঠ রোগীদের সহিত ঘনিষ্ঠভাবে মেলামেশা করিলে বা উহারা যে সমস্ত জিনিষপত্র ব্যবহার করে তাহা ব্যবহার করিলে, অন্য লোকের, বিশেষ করিয়া শিশু ও বালকবালিকাদের, অল্পদিনের মধ্যেই হোক আর বেশীদিন পরেই হোক কুষ্ঠ রোগ হইতে পারে। শিশু ও বালকবালিকাগণ অপেক্ষাকৃত রোগপ্রবণ বলিয়া উহাদের সহজে কুষ্ঠ রোগ হয়। কিন্তু বয়স্ক লোকেরা অধিক পরিমাণে কুষ্ঠের বীজ প্রতিরোধ করিতে পারে, অর্থাৎ তাহাদের কুষ্ঠ সম্বন্ধে অধিক “অনাক্রম্যতা” (Immunity) আছে; এমন সংক্রামী কুষ্ঠ রোগীর সংস্পর্শে আসিলেও তাহাদের সহজে রোগ হয় না। আমরা সাধারণতঃ যে সকল অধিক বয়সের রোগী দেখিতে পাই তাহাদের রোগ সম্বন্ধে খেঁজ করিলে জানিতে পারা যায় যে তাহারা শৈশবে অথবা কৈশোরে কোনও না কোন সংক্রামী কুষ্ঠ রোগীর সংস্রবে বাস করিয়াছিল। তাহাদের শরীরে যত অল্প বয়সে বেশী পরিমাণে কুষ্ঠ জীবাণু প্রবেশ করে তাহাদের তত অল্পদিনে রোগ প্রকাশ পায় ও অবস্থা গুরুতর হয়।

কুষ্ঠ রোগের প্রসার প্রতিরোধ।—কুষ্ঠরোগের লক্ষণ এবং উহা কি কি উপায়ে ছড়ায় জানা থাকিলে দেশ বা সমাজ হইতে কুষ্ঠ রোগ দূর করা খুব কঠিন নয়। শিশু ও বালকবালিকাগণ যাহাতে সংক্রামী কুষ্ঠ রোগীর সংস্রবে না আসিতে পারে সে বিষয়ে বিশেষ সাবধান হইতে হইবে। গ্রাম ও শহরের বাহিরে কুষ্ঠনিবাস (Segregation Camp) অথবা হাঁসপাতাল ও কুষ্ঠাশ্রম (Lepor Asylum) নিৰ্ম্মাণ করাইয়া সংক্রামী কুষ্ঠ রোগীদিগকে সেখানে রাখিতে হইবে ও সেখানে তাহাদের জন্য ভাল চিকিৎসার বন্দোবস্ত করিতে হইবে। অসংক্রামী কুষ্ঠ রোগিগণ গৃহেও থাকিতে পারে; কিন্তু তাহাদের জন্যও ভাল চিকিৎসার বন্দোবস্ত চাই। ভাল চিকিৎসার অভাবে অসংক্রামী কুষ্ঠও সংক্রামী কুষ্ঠে পরিণত হইতে পারে।

চিকিৎসা।—সাধারণের বদ্ধমূল ধারণা যে কুষ্ঠ রোগের চিকিৎসা নাই। এই ধারণা একেবারে ভুল। রোগের প্রথম অবস্থায় ভাল করিয়া আধুনিক বৈজ্ঞানিক চিকিৎসা করাইলে স্বেচ্ছা পাওয়া যায়। সুতরাং রোগের লক্ষণ প্রকাশ পাইবার অল্পদিনের মধ্যেই চিকিৎসা করান কর্তব্য। রোগ বৃদ্ধি পাইলে চিকিৎসায় তেমন সফল হয় না।

6. Stitched books for writing answers, blotting papers, ink, packing cloth, sealing wax, etc., will be supplied by the District Inspectors of Schools out of their office contingent allotments (the expenditure being kept at as low a figure as possible). Candidates should bring their own pens.

7. The Superintendents will forward per registered post the answer papers of written examinations serially arranged, carefully packed and sealed to the paper-examiners, as noted in paragraph 15, together with a mark roll [showing (1) Serial No., (2) Name of candidate, (3) Name of Training School or Training Centre, (4) The subject of examination and (5) full marks] indicating the attendance of candidates in the column of remarks and bearing the signature of the Superintendent of the Centre.
